Uroanki's cover was mainly adapted from Pocket Guide to Urology 6th ed, was cured by experts and peer-reviewed by the University of Michigan's urology faculty, and was designed by a team of residents committed to the advance of urological education. There are no new chapters, but here have been updates/additions to almost all chapters. The book became too thick to be handled effectively as a single volume using a spiral union. All rights reserved. The sixth edition is in stock! Pay online for a single book with a quick wage, or see how to request more information. Uroanki is available now!It is a free digital card deck designed to help Junior residents dominate the foundations of the urology and is a great complement to the pocket guide.
